Dear Sir

I would be very pleased to know the name of some distinguished American collector in Venetian coins & Antique Statues pieces I know that our big Venetian gold & silver coins are very sought in America & I would be very obliged to you if you can favour a good relationship among such collectors & myself.

Thanking you for a kind

reply to remain

Venice, Italy

Dear Sir:

There are very few collectors of Venetian coins in this country, and fewer collectors of medals. Mr. Herbert Scoville, 62 Cedar Street, New York, makes a specialty of collecting Italian coins, and Mr. A. R. Frey, 7th Division, Customs House, New York, collects gold of ducat size.

Very truly yours,

Curator
